Nicole,

I've asked PBID Security to check this daily. Is there a specific time of day this is happening? Daytime? Evening? If you have any additional information I will pass it along.

Good morning,

We are having a problem with people pulling up chairs on the sidewalk and smoking, specifically in front of the Business Source Center. There is nothing we can do about the smoking but putting anything in the parkway is strictly prohibited.

Would PBID security be able to do the enforcement?

Please advise.
